Description

Ecologically proven polyurethane film with matt, reflectionfree surface.

Its suitable for transfer to textiles like cotton, mixtures of polyester/cotton and polyester/acrylic.

It can be used for lettering on T-shirts, sport & leisure wear, sport bags and promotional articles.

Cut intricate designs with smooth heat transfer material, then iron them onto clothes and other fabrics for a professional custom look.

Videoflex Black - SGL-43 - per running meter - press at
