### Description

This beautiful font cartridge manages to be both whimsical and elegant at the same time. Designed with the international market in mind, Ashlyns Alphabet includes the special letters and characters that allow you to create words in French, Spanish, German, Dutch, and many other languages. The cartridge also contains an entire feature of phrases in over six languages! Perfect for cards, scrapbooking, home decor and other crafts. Create die-cuts of shapes, letters, and phrases without a computer using the Cricut machine! Simply install one of these cartridges and keypad overlays, select your desired image, and cut. Adjust the images from 1 inch in height to 5-1/2 inches in height using the original Cricut machine or up to 24 inches in height using the Cricut Expression machine! This cartridge will work with either the original Cricut machine or the Cricut Expression. This cartridge will also work with all international versions of the original Cricut machine and Cricut Expression.
